

Antlers Public Works Authority

100 SE 2nd Street, Antlers, OK 74523

i Your water bill is due by 4PM on the 10th of each month.

i Setting up a water account will result in getting at least a minimum bill each month, regardless of how much water you use.

Ways to Pay

We have a payment box in front of City Hall that payments can be placed in.

1. Cash/Check or Money Order- Make Payable to APWA or Antlers Public Works Authority.
2. Online- www.cityofantlers.com Under Services find "Pay your bill".
3. Credit Card- Include a \$2.75 charge or 2.75% for bills over \$250.
4. Bank Draft- Bank Drafts can be set up by filling out the form available at City Hall attached with a voided check. These drafts will be pulled on the 5th of each month.

If you fail to pay

1. If you have not paid your bill by 4 PM on 10th of each month, you will be charged a 5% late fee on your bill.
2. If the 10th falls on a weekend, payment must be received by 11 AM the following Monday to avoid paying a late fee.
3. Services will be cut off without further notice if the bill is not paid by the 15th of each month and you will be charged a \$20.00 re-connect fee.
4. If anyone other than a city employee turns the water back on after services have been cut off, you will be charged a tampering fee. The tampering offense charge is \$100.00 plus replacement cost of meter and equipment if meter or equipment are damaged beyond repair.
5. If water services have been disconnected for 2 months or more due to non-payment, we will close the account and apply the deposit to the balance. The remaining balance will be sent to collections. Once a bill has been reported to collections, the customer must call collections to pay the balance in full and they must pay APWA a new deposit of \$300.00 before reconnecting services in that customers name, regardless of if it is the same service address or a new service address.

City Ordinances filed at the Court House

City Ordinance 2015-07

- Obstructing access to or parking on the water meter will result in a \$100.00 fine.

City Ordinance 2013-07

- All entities must maintain proper working sewer systems or can be fined a Public Nuisance charge for \$176.00.
